

Even Swindon Primary School

Learning Project Week 2

Year Reception

Weekly Maths Tasks (Aim to do 1 per day)

- Learn this fun 'Days of week' song with different actions for each day. Ask your grown ups to join you.
<https://www.youtube.com/watch?v=soDe7pQVZIO>
- Using simple marks such as lines or dots in your blue home learning books, estimate how many birds, clouds and flowers you will see in your garden or outside your bedroom window. Once you estimated, can you go/look outside to check how accurate your estimation was?
- Make a sound pattern for your family to repeat. You can use clapping hands, stomping feet, blinking eyes and whistling lips. Start off with a simple pattern and add different sounds to it as you go. How about a wooden spoon on a pot lid?
WHISTLE, WHISLTE, CLAP
WHISTLE, WHISTLE, CLAP BANG!
- Measure the distance from your kitchen door to the front door-use different methods: count the steps, use a scarf-how many times the length of the scarf will fit in the space between the kitchen door and the front door; or make a shoe trail and then count all the shoes. Don't forget to write your findings down in your blue books!
- Practice addition by finding totals of these number sentences:
 $5+4=$ $6+3=$ $7+2=$ $8+1=$ $9+2=$
 $10+1+3=$ $10+2+1=$ $10+0+1=$
Use objects, such as toys, spoons, biscuits, socks to help you with your calculations. Take photos of your addition - we would love to see you problem solving!

Weekly Reading Tasks (Aim to do 1 per day)

- Read the story Hansel and Gretel (or watch on youtube)- What makes the house appealing to the children? Why? What would you make your own house of?
- Read the story of The Three Little Pigs (or watch on youtube)- Discuss the choices the little pigs make about the materials they use to build their houses. Can children figure out the material their own house is made from?
- Carry on reading a variety of books at home. Can you spot the sounds and tricky words you have learnt? Can you spell the tricky words you have found?
- Read a story to a family member but before you get to the end, close the book and make up your own ending.
- Read a recipe and help your adults do some cooking. Take some photos of you cooking, we would love to see them!
- Join in with an EYFS expert - Shonette Bason-Wood for a story time on her you tube channel: spread the happiness. It is free to subscribe now. Simply go to your you tube app and type in spread the happiness TV to find the channel.
https://www.youtube.com/results?search_query=spread+the+happiness+tv
You can also join her in her daily live dough disco sessions ☺

observed. What do you notice? What is the same/different about your tree/plant/ bush?
Why is it different/the same?

Make

Make some music in your garden. Using a wooden spoon or a stick as a beater, tap it onto different surfaces in your garden. Scrape it on the rough wall, tap it on the smooth floor tiles, and bang it on the fence. Can you sing a song to your music?

Create

Using grass blades, flowers, feathers, rocks, leaves, sticks and whatever else you can find in your garden, make a collage picture of your face and body with it. Take a photo of it -we would love to see it!
