Other activities (to be completed through the week)

- **Let's Create:** If you could be anywhere in the world right now, where would you be? Create a piece of artwork that shows this. You can use any materials of your choice.
- **Be Active:** Have a go at a virtual PE lesson. Joe Wicks (the body coach) live streams a 30 minute PE lesson every day at 9am on his YouTube channel. We recommend that your child participates in at least 2 hours of exercise a week.
- **Connect:** Write down 5 questions to ask your parent/s. This gives you the opportunity to learn new things about them. E.g. What was the house like that you grew up in? What is your funniest memory with grandma/ grandad?
- **Reflect:** Think about what would improve your local area. What is your local area lacking? What spoils your local area? What could be done to improve this? You might want to create a poster to show this.
- **Let's Think:** What do you think your community would have looked like 100 years ago? Would the building have still looked the same? What would people have been wearing/ doing?
