

Even Swindon Primary School

Learning Project Term 5 Week 2

Year 4

Weekly Maths Tasks (Aim to do at least 1 per day)	Weekly English Tasks (Aim to do at least 1 per day)
<ul style="list-style-type: none"> • Times Table Rockstars - use your individual login to access this. (At least 20 minutes each day on soundcheck). • Choose a times table that you find most challenging and create a board game that you could play with your family. • Find some rectilinear objects around your home. Measure the length of the sides and calculate the area and perimeter of these shapes. <div style="display: flex; justify-content: space-around; align-items: center; margin: 10px 0;"> <div style="text-align: center;"> <p>Perimeter:</p>  </div> <div style="text-align: center;"> <p>Area:</p>  </div> </div> • Complete the White Rose Maths home learning activities - you could do one a day. https://whiterosemaths.com/homelearning/ • Write a selection of 3 and 4-digit numbers. Order these numbers on a number line, in either ascending or descending order, 	<ul style="list-style-type: none"> • The Hamilton Trust have produced brilliant home learning packs for Maths and English. All resources are included in the PDF documents: https://www.hamilton-trust.org.uk/blog/learning-home-packs/ • Learn your favourite poem off by heart- you could even film yourself performing it and send it to us to put on Instagram! • Choose a paragraph from your book and use a dictionary to up-level the vocabulary. • Read a piece of non-fiction and record 3 facts that you have learnt. This could be based upon global warming, your favourite animal or an historic event. • Read a short section of a book and create 3 'retrieval' questions (where the answer is in the text). You could then ask one of your family members read the same section and see if they can answer them.
Weekly Phonics/Spelling Tasks (Aim to do at least 1 per day)	Weekly Writing Tasks (Aim to work on at least 1 per day)
<ul style="list-style-type: none"> • Use Spelling Shed to learn your spellings. • Write your own dictation using some of the year 3 and 4 spellings. • Create your own crossword using some year 3 and 4 spelling words. • Design a poster to show the different meanings behind homophones. E.g. Their/there/they're, hear/here, two/to/too. • Using your finger, write one of your spellings on a family member's back. Can they guess the word that you have written? Then swap over. 	<ul style="list-style-type: none"> • Create a piece of writing of your choice based upon this picture. <div style="text-align: center; margin: 10px 0;">  </div> <p>This could be a diary, poem, newspaper report, letter, play script, story.</p> • Create your own creature and write a detailed character description about it. You might want to draw a picture too.

With thanks to Robin Hood Multi Academy Trust for their inspiration

- Think about one of your favourite places to visit. Design a leaflet to advertise this place to other people. Remember to make it eye-catching!
- Write your own speech about global warming and present this to your family. You might want to research Greta Thunberg's public speeches for inspiration.

Other activities (to be completed through the week)

- **Let's Create:** Help an adult create a meal for the rest of your family. You could help design this meal and suggest ingredients to put in it. Alternatively, you might decide to choose a 'sweet' option instead, and help with some Spring baking.
- **Be Active:** Dance along to some 'Just Dance' videos on YouTube. Or if you fancy something more relaxing, have a look at 'Cosmic Kids Yoga'. We recommend that your child participates in at least 2 hours of exercise a week.
- **Connect:** Design a card or record a message for your classmates. Please send these to your teacher so they can be shared on Instagram.
- **Reflect:** List 5 things that you really enjoy about going to school. Have you ever appreciated how important these things were before? What makes school such a special place?
- **Let's Think:** What would you like to be when you are older? How are you going to achieve this goal?
