Weekly Reading Tasks (Aim to do 1 per day)	Weekly Writing Tasks (Aim to do 1 per day)
<ul style="list-style-type: none"> This week we are looking at '10 Little Pirates'. Can you tell someone in your family what happens in the story?  https://www.youtube.com/watch?v=VLpC0rUSB18 I can hear a lot of rhyming words in the book. Can you find some rhyming pairs from the book? For example 'far' and 'arrrrrr' 	<ul style="list-style-type: none"> Pirates have a parrots as pets. If you were a pirate, what animal would you have as a pet? Draw your new pet and label it or write some sentences about your new pet. How big is it? What colour is it? What does it like to eat? Write 5 things you treasure the most. Write down the rhyming pairs that you found in '10 Little Pirates'. Are there any other words you can think of that rhyme with them so you can create a rhyming string?

- Can you act out the story to someone in your family? You could use teddies, make puppets or just act out using hand signs like we have used in school.

- Keep practicing reading your tricky words with your treasure coins that you made last week. Can you improve your score from last week?

- Read a story to someone in your house or you could call a grandparent or friend and read it over the phone or webcam.

- We are looking at '10 Little Pirates' this week. You're now going to change the story to make it your own!

After reading and listening to the story, can you change the pirates for another character? You might choose to have another character you find at sea like a mermaid, a shark or a fish, or you can come up with your own.

- After changing your main character, have a look at all the events that happen to the poor little pirates in the story. There's a hurricane, a storm at sea, a big wave and also a giant squid. Can you come up with 10 events that might happen to your 10 little characters might. Draw and label a story map of your new story.
