

## READING

Remember to read at least 3-4 times a week. Ask an adult to write in your reading record.

## SPELLINGS

The children will be given spellings to learn for weekly tests on a **Thursday**.

## MATHS

Practice your maths by logging on to NumBots (see individual login)

Collect some sticks on an Autumn/Winter walk. Use them to make a picture of a house of sticks, or count them and see how many you have altogether.

Build a house of bricks from bricks you have at home, such as lego.

Draw a picture of a new house for the three little pigs which has extra protection from the big, bad wolf. Label the different rooms.

Look at your house from the outside. What different shapes can you see? Squares? Rectangles? Triangles? Circles? Draw a picture of your house and label the shapes.

**Straw, Sticks or Bricks?**

## PLATFORM 1 HOMEWORK

### TERM 1

This is your pick and mix homework.  
Each is worth **3 points**.

Complete **at least 1** of these activities each week if you can, and send us a photo of your work via Teams preferably (but also email or Instagram) so we can share it in class.

### Homework Certificates

Bronze 6 - 9

Silver 10 - 15

Gold 16 - 20

Platinum 21+

Take a walk, around your garden or local park. Look for signs of Winter such as trees with no leaves, and ice or snow. Can you see your breath when it's cold?

Take photographs or draw a winter picture to share what you see.

Make a cosy reading space indoors with blankets and cushions. Settle down with some traditional tales.

Draw a picture of your favourite character from a traditional tale and colour it in.  
Write or add labels if you can.

Make and try some porridge like Goldilocks and the three bears.
