

Where will my steps go?

Key features of Rodbourne

Rodbourne is a small area in the town Swindon.

Key features of Rodbourne include the Even Swindon Community centre, which has a library and the ministeamers childcare in next to it. In Rodbourne, there is a church called St Augustine's and a Methodist church There are many shops including a post office and a co-op. The biggest shopping place is the outlet, which used to be where the trains would go from the railway. You can see some parts of trains in the outlet.

Isambard Kingdom Brunel was a famous engineer in Victorian times. He built bridges, ships and railway stations. He changed transportation in Britain. He was the chief engineer of the Great Western railway and he designed the railway line between Bristol and London.
