

READING

Remember to read 3-4 times a week. Ask an adult to write in your reading journal.

PHONICS

Don't forget to practise your phase 3 sounds weekly. Remember those harder to read and spell words too!

MATHS

Practice recognising and placing your numbers 1 - 20 in order. Count from 1-20.

Literacy Task 1

Find a new sea themed story and predict what you think might happen by looking at the front cover and reading only a couple of pages. Read your story with an adult. Was your prediction right?

What is under the water?

Number Task 1

Play a dice board game with a friend or your family. Make sure you can say the number shown on the dice without counting!
Try and use a dice with dots to practise your subitising.

Literacy Task 2

How many under the sea animals can you think of in 2 minutes? Time yourself and write a list of all the animals you can think of before time is up!
Don't forget to segment it out carefully.

Number Task 2

Make some doubles with everyday items around your house. Get a number of objects (no more than 6) and put them in front of a mirror. How many can you see now?

Literacy Task 3

Write a letter to your new teacher telling them about yourself. You might want to include: what you like doing in school, what your favourite things are (food, drink, sport etc), who your best friends are and who is in your family.

Reception Term 6 Homework

This is your pick and mix homework. **You must complete the blue essentials every week.** Then complete one of the other activities of your choice each week and upload your work on TEAMS in Assignments. It will be checked weekly by a member of staff by Friday.

Number Task 3

Help George make 10 objects in the museum
<https://pbskids.org/curiousgeorge/busyday/ten/>

Topic Task 1

Talk to an adult about how to stay safe around water and how we could look after the seas.
Design a poster to share how to stay safe around water OR how to look after our seas.

Topic Task 2

Imagine you have found a magic shell. This shell will grant you 1 wish. Draw and write about what you would wish for.

Topic task 3

Create an under the sea picture or model. You could use a paper plate, a shoebox or go outside and make a pond with real water. What will you use to make the animals and plants out of?
