## PRIMARY PE SPORT GRANT REPORT 2022 - 23

Meeting national curriculum requirements for swimming and water safety. <b>Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the NC programme of study.</b>	<i>All data based off end of year 5 data as no swimming catch-up provision able to be arranged this academic year due to cancellations because of a pool closing for restoration</i>
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? <b>N.B.</b> Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2021.	<b>64%</b> (several children didn't swim in Y5 and around 8% joined since swimming in Y5 with no data)
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	<b>43%</b> (several children didn't swim in Y5 and around 8% joined since swimming in Y5 with no data)
<b>What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?</b>	<b>79%</b> (several children didn't swim in Y5 and around 8% joined since swimming in Y5 with no data)
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?	Yes/ <b>No</b>
